ABOUT ME

Electronic engineer who throughout my career found a strong interest in software, programming and robotics. My professional experience has been mainly focused on industrial automation, primarily with PLCs, commissioning and diagnostics of variable frequency drives, and programming of industrial manipulators. In parallel with my university degree, I self-taught web development.

EXPERIENCE

2025 – present

Head of Electrical/Electronic Maintenance Department

Bagley Córdoba - Grupo Arcor ([Web](#))

Coordinate and supervise preventive, corrective, and predictive maintenance of industrial electrical installations, panels, motors, variable frequency drives, PLCs, and automated production lines. Lead in-house technical staff (11 people) and contractors, assigning tasks, controlling quality, deadlines, and compliance with standards.

2024 – 2025

Electrical/Electronic Maintenance Analyst - Automation Specialist

Cartocor Villa del Totoral - Grupo Arcor ([Web](#))

Part of the planned maintenance pillar of the industrial complex (conversion, extrusion, cylinders and utilities plants). Tasks included failure analysis, action plan development, maintenance planning, spare parts management, technical staff supervision, improvement execution and fault resolution.

2023 – 2024

Electrical/Electronic Supervisor - Automation Specialist

Fantini Ladrillos Cerámicos ([Web](#))

Part of the maintenance team where my main role was linked to automation, electronics, and electrical sectors.

2022 – 2023

Supervised Professional Internship

Centro de Investigación en Informática para la Ingeniería (CIII) ([Web](#))

2021 – 2023

PC Assembly and Repair Instructor

Instituto Integral Capacitando, Jesús María ([Web](#))

EDUCATION

2014 – 2023

Electronic Engineering

Universidad Tecnológica Nacional, Facultad Regional Córdoba

- Elective courses: Computer Vision, Fundamentals of Mobile Robotics, and Communications Systems III.

2023 – 2023

Siemens PLC Programming / TIA Portal

Universidad Tecnológica Nacional - FRRe

Object-oriented programming in KOP languages, most common instructions, configuration techniques, use of different programming blocks and their characteristics.

SKILLS

Soft Skills Responsibility - Teamwork - Communication - Leadership - Proactivity

Technical TIA Portal - STEP 7 - MicroWin
STARTER - SCOUT - SoMove - EasyEngineer
Docker - VMWare - VirtualBox
Git - Github - Gitlab
Matlab - Octave
AutoCAD - KiCAD
Windows - Linux
Advanced Excel

Programming Ladder/AWL/SCL - VHDL - C/C++ - C# - Python - PDL2
LaTeX (Overleaf) - Markdown (Jupyter Notebook)

INTERESTS

Software - Programming - Robotics - IT - Firmware - Automation - Hardware

LANGUAGES

 Spanish – Native

 English – Intermediate

- Pearson English Interactive 3 ([Certificate](#))
- Technical English for Software Developers([Certificate](#))
